CAREER OBJECTIVE

I am a Computer Engineering student seeking an opportunity as a Web Developer to apply my technical knowledge and develop my skills in web development. I am eager to learn new technologies, gain practical industry experience, and contribute to real-world projects. I want to work in a company where I can collaborate with a team, continuously improve my abilities, and contribute to the success of the company while building a strong career in web development.

TECHNICAL SKILLS

Web Technologies: HTML, CSS, Bootstrap
Programming Languages: JavaScript
Databases: MySQL
Tools: Git, GitHub, VS Code

SOFT SKILLS

Communication • Problem-Solving • Teamwork • Critical Thinking • Adaptability

EDUCATION

Bachelor in Computer Engineering *2024 – 2028*
Vidyavardhini's College of Engineering & Technology

Higher Secondary Certificate (HSC) *2023 – 2024*
University of Mumbai | Percentage: 67.33%

Secondary School Certificate (SSC) *2020 – 2021*
University of Mumbai | Percentage: 87.60%

PROJECTS

Collab-Board *HTML, CSS, JavaScript*

- Developed a frontend academic resource-sharing platform that enables engineering students to organize and access notes, assignments, lab manuals, and project resources using filters based on year, department, and subject.

Bitebox *HTML, CSS, JavaScript*

- Developed the frontend of a food ordering website using HTML and CSS. Designed multiple web pages with a clean, user-friendly interface and easy navigation.
- Planned future integration of backend features such as order tracking and delivery management.

CERTIFICATIONS & COURSES

Certificate Course in Programming Language – Java *2025*
Infosys Springboard
